Read the following:

ORDER:

Government of Andhra Pradesh has decided to build an ecosystem of innovations and start ups in the State of Andhra Pradesh and formation of an Innovation Society in all Schools /Intermediate /Degree /Technical /Pharma and other Colleges in the Andhra Pradesh State for inculcating innovations among students with the following actions :

- i. There shall be an Innovation Society in all Schools and Colleges (Intermediate, Degree, Technical, Pharma, Agriculture and other professional Colleges) in the State of Andhra Pradesh.
- ii. There shall be an Innovation Society in each University which shall be headed by Vice Chancellor and District Collector shall also be a member. Each University will have an Innovation and Incubation Centre. The Universities shall be encouraged to have an MOU with global accelerators to operate the Innovation and Incubation Centre.
- iii. The best of the Innovations from the School and College Innovation Societies shall be selected by the University Innovation Society for incubation.
- iv. District will have its own District Innovation Society for encouraging innovations from people (Employees, Common man, Industrialists, Business man etc) other than students. This shall be chaired by the District Collector.
- v. The best innovative idea selected by the District Innovation Society will also be discussed at the University Innovation Society.
- vi. Finally the University Innovation Society shall select the ideas which will be incubated at the Incubation Centre at the University.
- vii. The District Collectors will use the best innovation in the University Innovation Society in improving Governance.
- viii. Similarly, each Department will have its own Innovation Society and the best ideas/ Innovations in each shall be discussed at the State Innovation Society. If the idea is scalable, then necessary funds will be provided for its implementation. The selection of such an idea will be done by State Innovation Officer in consultation with Real Time Governance Committee.
- ix. There shall be a State Innovation Society under the Real Time Governance Committee and shall be headed by an All India Services Officer. The State Innovation Society shall operate the State Incubation Centre which consists of the best startups selected from all the University Innovation Society. The State Incubation Center shall associate with global accelerator and shall also tie up with Venture Capitalists for supporting financially the best start ups.
- x. The State Incubation Centre shall be a separate building but will be a specialized wing of the State Command and Control Centre.

- xi. All the above activity shall be monitored by the Real Time Governance Committee.
- xii. The budget provided for start up and innovation with the ITE&C Department shall be used for the above activity.

2. The Real Time Governance Committee shall issue necessary guidelines accordingly.
